

New Student Virtual Induction Ceremony

and Virtual Academic Advising Session

Welcome to the School of Environmental and Biological Sciences and to the 2020-21 academic year! We are excited to have this opportunity to build our virtual community experience. This intensive morning of introductions and advising is essential to your transition into college and mandatory for all new students.

New Student Induction Ceremony

Learn about our School's rich history and traditions. Meet your deans.

Monday, August 24, 11:00 am

(Zoom link will be sent via email by 8/20)

First-Year Student Academic Advising Session

Monday, August 24, 12:00 pm

(Individual Zoom links will be sent-according to your Advisor.)

-Students will meet in group sessions with their assigned SEBS First-Year Academic Advisors. Please have your fall course schedule with you.

New transfer students are encouraged to attend the Induction Ceremony and should follow up with their major advisor if they have advising questions.
